2. Fees and Payment

The total contract value is USD 120,000. Invoices are payable Net 30 days from the invoice date.

3. Discount Provisions

Section 3.1. The Customer receives a discount of 10% on the fees payable under this Agreement.

Section 3.2. Notwithstanding Section 3.1, the discount applicable to the Customer under this Agreement is 15%.

Section 3.3. In the event of any inconsistency between Sections 3.1 and 3.2, this Agreement does not specify which provision prevails. No order-of-precedence rule applies to these discount provisions.

4. Termination

Either party may terminate this Agreement by providing 60 days' written notice to the other party.

Evaluation intent: The discount provisions deliberately contain two conflicting definitive values (10% and 15%) without a precedence rule. A contract-review system should therefore identify the discount as ambiguous rather than selecting either value as controlling.
